Response to Notice of Non-Compliant Amendment
Mailed by UPSTO October 2, 2006, with Amended Claims and Labeled
Replacement Drawing Sheet

October 28, 2006

Attention: Allan Hoosain, Primary Examiner:

I have revised my amendment document filed on June 6, 2004 and July 5, 2005, to make it compliant with the rules. I have amended three claims and cancelled the remaining claims. I have added the status indicator for each claim, following its number. I have labeled the previously corrected single drawing sheet as "Replacement Sheet" in the top, right-hand corner.

Please call me if you have any questions or if you need any additional changes. I believe the three remaining amended claims are well within the scope of the provisional and non-provisional applications.

Respectfully submitted,

Craig L. Linden
